Children's Liturgy – 11am Sunday Mass

Children's Liturgy of the Word is a common liturgical celebration in our parish offering our children the opportunity to listen and respond to the Sunday Gospel at primary school level. The children are invited before the readings to move to the Sacred Heart Centre with two leaders where they take part in a simplified understanding of the gospel message through small play, performance, drawings and songs. Before the offertory of the Mass they return to the church and one child reads the prayer intention while the priest will engage with the other children before returning to sit with their families.

If you would like your child to attend, please complete the attached registration form and return to the parish office.

Choir

New members are always welcome. If you are interested in joining NO audition is necessary and you will be placed in one of four sections - Soprano, Alto, Tenor or Bass depending on your voice. You do NOT need to be a good singer or music reader to join. If you join, we will help make you a good singer and give you a degree of ability at reading music.

Ministers of the Word (Readers)

The Ministry of the Word provides lay people with an opportunity to play a greater role in the celebration of the Eucharist.

The reader acts as an instrument for God's message and is called to communicate it to others. There are currently 19 Ministers of the Word who cover all Masses at the weekend.

All lay people who feel they could proclaim the word of God can become Ministers of the Word. Please contact Fr Michael if you wish to be included in the rota and which Mass you would wish to cover.

Readers are asked to familiarise themselves with the readings beforehand and practice the readings to allow them to maintain eye contact with the congregation during the readings.

St Vincent de Paul

Like Carryduff Parish and most parishes in Ireland, Saintfield and Carrickmannon parish has a SVP conference. It's volunteer members strive to support the many families and others within their area who are in great need. That support can only be provided because of the generosity of people who week after week donate to the red collections boxes after every Mass or contribute monthly by standing order.

Please don't hesitate to contact us if in need:
